Dear Director Webster:

J. Edgar Hoover Foundation

During my recent visit to Washington, the final plans for the 1981 National Law Enforcement Explorer Conference were nearly finalized. I am very pleased with the progress which I have seen within my few months in office. What makes a great impression upon my mind is that so many people are involved in this project and in Exploring overall. The fact that a federal agency like the F.B.I. is expending so much time and energy to work with youth has proven to me that the leaders of today have a genuine interest in developing the leaders of tomorrow.

It was a pleasure to meet you and I appreciate the informative tour of that impressive facility. I learned more than I had ever imagined. Your staff was very helpful and I look forward to working with you at Ohio State University in August, as well as throughout the next year. If I or my association may be of assistance in any way in the future, please contact me.

Respectfully,

You are scheduled to meet with the newly elected National President of the Law Enforcement Explorers, [redacted], at 3:30 p.m. on Tuesday, July 21, 1981. You have agreed to a short social visit and a photograph.

In a letter dated July 10, 1981, Paul Thayer, Chairman of the Board of LTV Corporation and Chairman of the National Exploring Committee asked you to be photographed with a young law enforcement explorer to promote the Law Enforcement Exploring Program.

b6

It would seem logical to comply with Mr. Thayer's request by taking some additional photographs in your office while [redacted] visits on Tuesday. This would require no more than an additional five ~~extra~~ minutes of your time. Brian Archimbaud, National Law Enforcement Explorer Director, is agreeable to this suggestion.

If you agree, we'll arrange for our photographer to take these additional photographs.

Dear Bill:

As you may know, the heirs of Clyde Tolson's estate, coupled with approval of the Department of Justice and the Federal Courts, allowed The J. Edgar Hoover Foundation, of which I am Chairman and President, to take possession of considerable of Mr. Hoover's memorabilia for the purpose of placing such items in the J. Edgar Hoover Library, Freedoms Foundation at Valley Forge, Pennsylvania. The Hoover Foundation subsidizes the Library.

Thousands of teachers, students, and tourists visit this Library each year. It now has over three hundred thousand volumes on its shelves.

From time to time, FBI personnel may run into non-classified items representing Mr. Hoover's career. This may run the gamut from signed cartoons to postage stamps and other items that were presented to the late Director during his long career.

It would be very much appreciated if our Foundation Board could be allowed to examine such items to ascertain their worthiness for the Library. The products of old shelves or closets may mean something to us while having no value to anyone else.

John Bugas, Harvey Foster, Bill Simon, Sam Devine and I would, of course, carefully inventory any such items and assume the responsibility for their welfare.

Your letter of September 18, in which you, on behalf of the J. Edgar Hoover Foundation, express an interest in Hoover memorabilia, and your subsequent telephone conversation with [redacted] of this office, have been brought to my attention.

As [redacted] informed you, we have long needed a full-time historian in the FBI, and we are currently in the process of acquiring one for the purpose of assuring the identification, maintenance and preservation of items and documents of historical value. J. EDGAR HOOVER FOUNDATION
LAW ENFORCEMENT EXPLORER SCHOLARSHIPS

Each year, six scholarships, funded by the J. Edgar Hoover Foundation, are awarded to outstanding Law Enforcement Explorers across the country. Each of these scholarships is in the amount of \$500 and the recipient is selected on the basis of scholarship, community service, interest in pursuing law enforcement as a career, and participation in the Law Enforcement Explorer Program.

The Law Enforcement Explorers are a young adult division of the Boy Scouts of America. Members range in age from 14 to 21 years. Each member belongs to a "Post" sponsored by a local, state, or Federal law enforcement agency. The program resembles police cadet training and has grown to a national membership of over 30,000 young men and women.

The FBI serves as chairman of the scholarship selection committee and is also responsible for presenting the scholarships each year. The 1982 presentations will be made at the National Explorer Presidents Congress in Philadelphia on the evening of March 23, 1982.

I would like you to represent me in making these scholars' presentations.

The program will be held at the downtown Sheraton Hotel main ballroom. Additional details can be obtained from [redacted], Exploring Executive in the Boy Scout Council

Each year, the FBI serves as chairman of the selection committee for the captioned scholarship program. These awards are made to outstanding members of the Law Enforcement Explorers, a young adult division of the Boy Scouts of America.

The scholarships were formally presented in Philadelphia on March 23. In the past, it has been the practice for an FBI official to assist with a hometown presentation for those recipients unable to attend the national ceremony. This year, there were three such individuals.

You are requested to contact the appropriate Scout Executive listed below and arrange for an FBI representative of supervisory or management rank to participate in the scholarship presentation to the recipient residing within your division.

Thank you for allowing FBI Historian, [redacted], and [redacted], of our Tour Unit, to examine the collection of J. Edgar Hoover memorabilia at the J. Edgar Hoover Library, Freedoms Foundation, Valley Forge, Pennsylvania. Foundation

[redacted] has examined the memorabilia stored at FBI Headquarters and wanted to compare the collection here with the collection at Freedoms Foundation in order to better determine the best repositories for the items. While she draws a distinction between items of significance to the Bureau and those of significance to Hoover's personal life, she found the Freedoms Foundation collection a fascinating one. [redacted] is concerned about items that might be used for exhibits and he too found material of interest to him. Subject : J. EDGAR HOOVER MEMORABILIA
CUSTODY AND RETENTION

J. Edgar Hoover Foundation

PURPOSE: To advise which items of J. Edgar Hoover memorabilia should be retained in Bureau custody.

BACKGROUND: July 27, 1982, Legal Counsel determined that Hoover memorabilia then in Printing and Space Management Section, ASD, custody may be considered FBI property. The previous month, the National Archives (NARS) had declared that only three categories of items were Federal records and these were all of permanent value: press clippings, congratulatory letters, and photographs. These items were transferred to NARS April 5, 1983 and the remaining artifacts were transferred to OCPA. [Redacted], FBI Historian, examined the remaining items, those stored at the FBI Academy, and other Hoover memorabilia in private hands (The Freedoms Foundation). She advised SA [Redacted] of her findings in enclosed memo. I concur with [Redacted] to support her suggestions. Therefore, I recommend that the FBI retain four items now in OCPA custody, and all items at the FBI Academy. I also recommend that the FBI borrow items in nine boxes at the Freedoms Foundation as needed.

b6
b7C

RECOMMENDATIONS: 1) That the FBI retain or seek custody of listed items of historic and/or exhibition value to the Bureau.

RE: J. EDGAR HOOVER MEMORABILIA
CUSTODY AND RETENTION

After the death of former Director J. Edgar Hoover, May 2, 1972, his office was cleared by his secretary Miss Helen W. Gandy. Memorabilia that Miss Gandy considered the personal property of Mr. Hoover was removed to his house and was included in his estate. These items currently are in the physical custody of the J. Edgar Hoover Library at the Freedoms Foundation, Valley Forge, Pennsylvania.

Those items which Miss Gandy deemed to belong to the FBI were retained and stored in the custody of the Printing and Space Management Section, ASD, until legal ownership was determined. In a memorandum to AD, ASD, July 27, 1982 (attached), Legal Counsel reviewed the deliberations concerning ownership concluding "that the Hoover memorabilia may now be considered property of the FBI and...the Bureau may dispose of it as it desires."

Prior to June 21, 1982, two archivists from the National Archives and Records Service (NARS) examined the items retained in Bureau custody. They determined that only three categories of items could be considered records of the FBI as defined in 44 U.S.C. 3301. All three categories were considered of permanent value in a records schedule (Job No. NCI-65-82-25) signed by Robert W. Scherrer, Section Chief, Records Systems Section, RMD, for the FBI, July 12, 1982, and by Robert W. Warner, Archivist of the United States, August 24, 1982. These items--press clippings, congratulatory letters, and photographs--were transferred to NARS April 5, 1983. All remaining items were transferred to the custody and control of OCPA where they are located today. (See AD, ASD to AD, OCPA memoranda, October 6, 1982, and December 8, 1982, attached.)

On March 13, 1984, [redacted], Tour Unit, and I examined items that, from the inventory, appeared to have historic or exhibit interest for the FBI. Based on my experience as historian and archivist, I distinguished those items which had primary significance for Mr. Hoover, rather than the FBI, for example honorary degrees. In my opinion, only those items of significance for the Bureau should be retained.

b6
b7C

Of the items examined, the following should in my opinion be retained by OCPA for historic or exhibit purposes:

1. Item 00404821. Plaque signed by President Lyndon B. Johnson commemorating the Executive Order permitting the former Director to serve past the retirement age of 70.

Enclosures (4)

94-41053-

2. Item 00404824. A flag used to drape Mr. Hoover's casket.
3. Item 00404825. A three-dimensional model of Mr. Hoover's Vermont Street office.
4. Item 00544810. A book of original Dennis the Menace cartoons depicting an FBI tour.

One item, the first 48-star flag to be flown over the Capitol (Item 0054493), has intrinsic value for the U.S. Senate because it flew over the Senate Chamber. Jim Ketcham, Curator of the U.S. Senate, is completing the paperwork to transfer it to his custody (per telephone conversations between the Historian and Mr. Ketcham, and the Historian and the Tour Unit, April, 1984).

On April 2, 1984, after telephonic consultation, I sent a copy of the inventory of memorabilia in FBI custody to Dr. James E. O'Neill, Assistant Archivist for Presidential Libraries, NARS. He replied May 1, 1984 and suggested that local historical societies would be more appropriate than Presidential libraries for items of this nature. With the informal concurrence of SA [] and [] of the Tour Unit, I suggest that the number of probable positive responses will not be worth the work required to determine the appropriate repositories.

b6
b7C

Because of their significance as J. Edgar Hoover memorabilia, these artifacts undoubtedly possess monetary value. However, in my opinion, only the four items listed above should remain in Bureau custody. All other items not requested by another Federal agency should be offered to the J. Edgar Hoover Foundation, administered by Cartha Dekle DeLoach, 50 Gold Point Road, Hilton Head Island, South Carolina 29928.

With the permission of Mr. DeLoach, [] and I examined the J. Edgar Hoover memorabilia at the Freedoms Foundation on April 12, 1984. Only a small portion of these artifacts are on display, all of personal significance to the former Director. The other items are in a storage room, either loose or in paper cartons. While these items do not belong to the FBI, Mr. DeLoach has granted permission to [] for the FBI to borrow anything it wishes. [] and I did not choose to borrow anything at this time. However, we noted the following items of historical or exhibit value to the Bureau for future reference:

b6
b7C

1. Box #3. Book ends depicting 9th Street entrance to Department of Justice Building.

2. Box #6. Photograph of Mr. Hoover and President Johnson signed by the President on the occasion of the announcement of the waiver of retirement age. NOTE: this is a companion to the plaque in custody of the FBI commemorating the same occasion.
3. Box #14. Framed photograph of Hoover's office window in the Department of Justice Building.
4. Box #17. Oil portrait of Hoover by B. Cannady.
5. Box #38. Cartoons of possible exhibit value.
6. Box #54. Letters from Presidents Franklin D. Roosevelt and Dwight D. Eisenhower.
7. Box #57. Letter from President Johnson concerning trip to Mississippi.
8. Box #77. Autographed photo of Melvin Purvis. Photograph of Richard Nixon.
9. Box #78. Leather-bound book of reviews of "Masters of Deceit."

On March 26, 1984, I visited the FBI Academy.

[redacted] showed me the items of historical interest she maintains. She has in her custody a number of books belonging to Mr. Hoover, many of which were autographed by their authors, and a book of congratulatory letters. Photographs of cartoons of Mr. Hoover are also being maintained at the Academy. AD James McKenzie is interested in retaining the cartoons for exhibit purposes. [redacted] has a gun that Mr. Hoover kept in his desk, as well as a collection of types of weapons issued to Special Agents. All these items at the FBI Academy have historic or exhibit value and should, in my opinion, remain in FBI custody.

MEMORABILIA OF J. EDGAR HOOVER,

PURPOSE: To advise that the Bureau may properly dispose
of the Hoover memorabilia.

RECOMMENDATION: That the Office of Congressional and
Public Affairs (OCPA), with the assistance
of the Administrative Services Division (ASD), review the
Hoover memorabilia and determine appropriate uses for the
property.

SYNOPSIS AND DETAILS: For background information, after
the death of former Director

J. Edgar Hoover on May 2, 1972, his office was cleared by
his secretary, Miss Helen W. Gandy. Property which Miss
Gandy believed to be the personal property of Mr. Hoover
was removed to his house and was included in his estate.
Those items which Miss Gandy deemed to belong to the FBI,
however, were retained and stored for future use. This
property, which constitutes the "Hoover memorabilia," has
been the subject of questions as to its legal ownership
since 1972. The property is currently stored in room
1B869-A of the Printing and Space Management Section
(PSMS), ASD, and consists of awards, plaques, cartoons,
photographs, etc., contained in approximately 91 boxes and

RE: MEMORABILIA OF J. EDGAR HOOVER,

Hoover memorabilia. [] stated that the DOJ did not consider that a formal agreement between the various parties relative to the property was needed and that none would be forthcoming. [] advised that the Hoover memorabilia could now be considered the property of the FBI and that the FBI was free to dispose of the property. SA [] specifically inquired as to whether any of the recipients of DOJ's 6/4/82 letter had responded thereto and she replied in the negative.

Based on the above, it is LCD's opinion that the Hoover memorabilia may now be considered property of the FBI and that the Bureau may dispose of it as it desires.

Re: Hoover Memorabilia

Dear Mr. Mohr:

As you know from substantial prior correspondence between this office and your former attorney, [redacted], after the death of J. Edgar Hoover on May 2, 1972, Miss Helen W. Gandy, former executive assistant to the Director, cleared his office. Those items which she believed to be Mr. Hoover's personal property she caused to be removed to his house. They were included in his estate. Those items which Miss Gandy deemed to belong to the FBI were stored for possible use by the Exhibit Section of the FBI for historical purposes or otherwise.

b6
b7C

There are eighty-six boxes of awards, plaques, congratulatory messages, photographs, caricatures and editorial cartoons (some of which have significant monetary value), certificates and honorary degrees, many athletic trophies won by various FBI athletic teams (five of which were engraved to "J. Edgar Hoover"), scrap book articles and the like and four stamp albums and an envelope of loose stamps (which may also have significant monetary value). There are also four cartons, recently located, which contain a bow and arrow exhibit from the National Bureau of Investigation, Manila, Philippines, a portrait of Mr. Hoover by Helen Dunaway, an aluminum portrait of Mr. Hoover, and various plaques presented to him. None of the above materials were included in Mr. Hoover's personal estate for either probate or tax purposes.

By will dated July 19, 1971, most of Mr. Hoover's estate, including the memorabilia which had been identified by Miss Gandy as his personal property, went to Mr. Clyde A. Tolson, former Deputy Director of the FBI, long-time friend of Mr. Hoover, and executor of his will. Mr. Tolson died on or about April 14, 1975 leaving a will executed August 14, 1972, of which you are the executor. The Second Codicil of that will provides in Article 7:

CHIEF
VBCB
JUN 11 1982

ENCLOSURE 2 11 JUN 82
94-4053-
Enclosure

I hereby bequeath to my executor who qualifies at the time of my demise any and all memorabilia, medals, plaques, photographs, or any and all other personal property which can be easily identified with the late J. Edgar Hoover. The purpose of this bequest shall be to install these memorabilia and other personal property identifiable with the late J. Edgar Hoover in the J. Edgar Hoover room in the new FBI building. My executor shall be empowered with exclusive direction and judgment as to those items of personal property which shall be included in this bequest.

On December 8, 1976 then Assistant Attorney General Rex E. Lee wrote to your attorney, [redacted], and enclosed copies of inventories of all of the material mentioned above (except for the last four cartons only recently located). Mr. Lee suggested a meeting in order officially to establish ownership of the FBI-related property.

b6
b7C

By letter dated February 10, 1977 [redacted] wrote to Mr. Lee noting that the Hoover estate was closed in June of 1973 and stating, "Mr. Mohr as executor of the estate of Clyde A. Tolson is not making claim for any of the property described in such inventories." In a telephone conversation with [redacted] of our office some time ago you confirmed [redacted]'s statement and expressed your opinion that all of the property originally segregated by Miss Gandy as belonging to the FBI was indeed FBI property.

b6
b7C

After considerable review, the FBI, which once considered disposing of the property, has determined to keep all of it. Their determination is based on the fact that much of the property was obviously FBI property from the outset and any remainder in question would have passed to the FBI pursuant to Article 7 of Mr. Tolson's Second Codicil in any event, as you indicated was your intent.

This letter is to inform you, and by separate copy, to inform [redacted] (although he has informed us the Tolson estate was closed in June of 1979 and he no longer represents you), as well as the attorneys for Mr. Tolson's residuary legatees (who had planned to waive any claim to the property), and the attorney for the J. Edgar Hoover Foundation (which had expressed an interest in the property if the FBI had concluded to dispose of it), that the FBI now considers all of the property mentioned to be that of the FBI. It plans to place on display in the J. Edgar Hoover Building those items deemed to be of public interest.

b6

If you have any questions, please let [redacted] know.

Dear Deke:

As we agreed, Special Agent (SA) [redacted], FBI Historian [redacted], and [redacted] reviewed the J. Edgar Hoover Foundation collection of Hoover memorabilia stored at the Freedoms Foundation, Valley Forge, Pennsylvania, November 19, 1985.

b6
b7C

Using an inventory prepared by [redacted], the Freedoms Foundation Librarian, SA [redacted] and [redacted] ascertained that all 85 boxes listed were stored at the Freedoms Foundation. In addition, they examined the contents of 25 boxes and items on display in the Library, and compared them to the inventory. They also located several items of historical interest to the Bureau that had not previously been identified by representatives of FBI.

b6
b7C

Except for selected items on display in the Library, two large items stored in a Library room, and an especially valuable item also stored in the Library storage area, the collection is maintained in a large closet on an upper floor of the main administration building. No temperature/humidity controls are available, and a number of items in the collection have deteriorated badly. Some photographs examined by [redacted] and [redacted] in April, 1984, are now barely discernible. In addition, a number of items are broken and the glass on many framed pictures has been broken. It appears that there is inadequate effort being made to preserve any of the memorabilia.

b6
b7C

Researchers, who according to [redacted] had your permission, have had access to this collection. Apparently, no attempt has been made on the part of the Freedoms Foundation to insure that items these researchers removed from cartons have been returned to their proper place. Several items were located in the wrong carton, and photographs and books are loose in the closet. In addition, a number of items are routinely stored in the closet outside of the cartons. This collection has both

Dear Mr. Melberg

Scholarships
Pursuant to your request, I am enclosing a check in the sum of ten thousand dollars from the J. Edgar Hoover Foundation. This will ensure the continuance of the J. Edgar Hoover Explorer Scholarship Program. It is understood that these funds are to be transferred to Brian D. Archimbaud for this purpose.

The Foundation feels this is a very worthwhile program and wishes the Boy Scouts every success. We appreciate the excellent publicity given the Foundation, and Mr. Hoover's name in carrying out the program.

Sincerely,

Cartha D. DeLoach

Dear Deke: *DeLoach*

Thanks very much for sending me a copy of your letter to Mr. Philip E. Melberg of the National Capital Area of the Boy Scouts of America. I'm glad to see that the funds for the J. Edgar Hoover Scholarships will be continuing. It is very generous of the Foundation to do this.

As you know, it is customary for the Bureau to host the meetings of the selection committee for these scholarships and I look forward to doing so again later this spring. Choosing recipients from so many highly qualified Scouts is quite a challenge, and I'm glad that we have the opportunity to participate in the selection process.

With warm best wishes,

Sincerely,

Dear [redacted]

J. EDGAR HOOVER FOUNDATION
SCHOLARSHIP

Our son, [redacted], was one of the six recipients of the Hoover Foundation Scholarship which is administered through the Boy Scouts of America. On September 7, 1986 I received a telephone call from the BSA national headquarters in Irving, Texas regarding information for an article that was to appear in the FBI Magazine on scholarship winners. I was given your name and address and instructed to send you information and a photograph by Express Mail. Those instructions were followed, and within a short time I received a return receipt with your signature affixed upon delivery.

I would very much like to have a copy of the FBI magazine with this article and pictures. How may I obtain one?

Also, [redacted]'s interest in a law enforcement career is stronger than ever after his first semester in the School of Administration of Justice at Southern Illinois University. Are there any scholarship opportunities through the Federal Bureau of Investigation that he might pursue?

I will look forward to hearing from you in the near future.

Sincerely,

JERRY T. CALDWELL
President and Chief Executive Officer

January 20, 1988

Mr. Milton Ahlerich
Assistant Director
Federal Bureau of Investigation
U.S. Department of Justice
9th and Pennsylvania Avenue
Washington, D.C.

Dear Mr. Ahlerich:

I have been advised that the Bureau is in possession of considerable memorabilia of the late Director J. Edgar Hoover. This letter is to request consideration of turning over to the J. Edgar Hoover Foundation, of which I am Chairman, this memorabilia for usage in special quarters at the Supreme Council, for exhibition purposes.

As you may know, the Courts authorized our Foundation to maintain Hoover memorabilia that happened to be in custody of several individuals shortly following Mr. Hoover's death. We allowed this memorabilia to be used in the J. Edgar Hoover Library, Freedoms Foundation at Valley Forge. After discovering the laxness of security and inefficiency in handling this material, our Board ordered that it be taken away from the Freedoms Foundation. In December, 1987, the Hoover memorabilia was transferred to the Supreme Council Building, 1733 Sixteenth St., N.W., Washington, D.C., where it will be placed on exhibition in a new, beautiful, and dignified room.

The J. Edgar Hoover Foundation has already given the Supreme Council a check for fifteen thousand dollars to cover costs of maintenance, etc. Additional funds will be furnished on an annual basis. Removal of any items is not allowed without the express permission of our Board.

Should the Bureau see fit to honor our request, the memorabilia may be given to us on a loan basis, or in any manner you decide. The Bureau may at any time utilize any of the items, both in our collection and the one being requested.

The Honorable C. Fred Kleinknecht, Sovereign Grand Commander, The Supreme Council, is our contact at the Council Headquarters.

The Village at Wexford, PO Box 5930, Hilton Head Island, SC 29938 (803) 785-6484.

Dear Mr. DeLoach:

In reference to your letter of January 20, 1988, the FBI would be delighted to transfer to the J. Edgar Hoover Foundation items of Hoover memorabilia. This collection consists mainly of framed honorary degrees, plaques, and gifts presented to the late Director.

On January 27, 1988, FBI Historian, [redacted] and [redacted] of the Special Productions Unit, Office of Congressional and Public Affairs (OCPA), visited the Supreme Council Building to see the J. Edgar Hoover Room, and how the memorabilia is being stored until it is put on display. Former Special Agent Clark Shoaff was their host. As you know, [redacted] and [redacted] had viewed the Foundation's memorabilia when it was stored at the Freedoms Foundation in Valley Forge.

b6
b7C

We will arrange to show our memorabilia collection to Mr. Shoaff or anyone else that you designate. We think that you will find these items will enhance your exhibit. Our point of contact will continue to be [redacted] and she may be reached at [redacted].

Occasionally, OCPA receives offers of J. Edgar Hoover memorabilia now in private hands. As you know, the FBI is unable to accept gifts and is not in a position to make purchases. Now that the Foundation has located proper exhibit space, it would be appropriate to attempt to bring together as much Hoover memorabilia as possible. With your permission, we would like to refer such inquiries to you.

As always, OCPA will continue to assist you in this endeavor as much as possible. We are so pleased to know that J. Edgar Hoover memorabilia is being collected in one place, and in the near future will be properly displayed for public view.

Sincerely yours,

Mr. Cartha D. DeLoach
Chairman
J. Edgar Hoover Foundation
Post Office Box 5930
Hilton Head Island, South Carolina 29938

Dear Mr. DeLoach:

This letter is to advise you on recent developments relating to items of Hoover memorabilia that have been in the physical custody of the FBI or that have been offered to the FBI.

As you were informed by [redacted] of the Office of Congressional and Public Affairs (OCA) on November 29, 1988, the memorabilia that previously had been maintained by our Tour Route was transferred to the J. Edgar Hoover Foundation on November 2, 1988. A National Academy rug formerly kept in Mr. Hoover's conference room was also sent to the Foundation in November, 1988.

b6
b7C

This month, on the advice of OCA, the flag that flew over the U.S. Capitol when Mr. Hoover's body lay in state was given to the Foundation. It had been in the possession of a Capitol Policeman who kept it after his retirement.

As of this date, we have been unable to locate Mr. Hoover's working desk. The former Director's ceremonial desk is considered of particular historic importance to the FBI and is being maintained by OCA.

The FBI is delighted that J. Edgar Hoover memorabilia is now being collected in one place, and we looking forward to the completed exhibit.

Sincerely yours,

Milt Ahlerich

Office of Congressional

Dear Mr. Sessions:

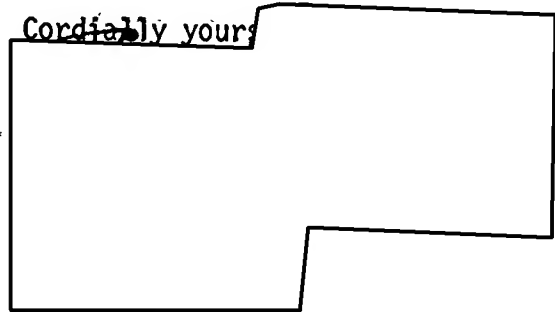

Thank you for having Weldon L. Kennedy, Special Agent in Charge, Federal Bureau of Investigation, Atlanta, Georgia, join us for our "J. Edgar Hoover, 33rd, G.C. Memorial Reunion" on Saturday, May 6th.

We had a large Class of One Hundred and Fifty-Five new Scottish Rite Members taking the Degrees on the above date. We owe Weldon Kennedy a real debt of gratitude for bringing us a most informative talk on the late J. Edgar Hoover. It was thoroughly enjoyed by the Class and those Scottish Rite Members and guests in attendance.

I am sending along a few items relating to the Special Class that you may be interested in reviewing; copies have been sent to Weldon Kennedy.

With all good wishes and our thanks for your fine cooperation,

Dear Mr. DeLoach:

I regret you were unable to attend our VIP Breakfast on October 15th for major donors to the National Law Enforcement Officers Memorial. I would have liked to personally thank you for your support of this important project to recognize those in law enforcement who have given their lives in service to their communities.

All of us in the FBI are most grateful for the generous donation made by the J. Edgar Hoover Foundation which enabled the names of 42 Special Agents, who made the ultimate sacrifice, to be etched in the National Law Enforcement Officers Memorial. I also want you to know that we appreciate the commitment of the Foundation to donate additional money for future names.

I would enjoy getting together with you, and I hope you will let me know the next time you plan to be in the Washington area.

The Honorable William S. Sessions
Director
Federal Bureau of Investigation
U.S. Department of Justice
9th and Pennsylvania Avenue
Washington, D.C. 20037

Dear Director Sessions:

Once each year the J. Edgar Hoover Foundation holds an annual meeting. At the time all decisions are made relative to scholarship grants, including those to children of FBI Agents, grants to Explorer Boy Scouts, College of Prosecuting Attorneys, Law Schools, etc.

The Board has unanimously voted to hold the next meeting in Washington, D.C. on May 1, 1992.

Quite naturally, considering the makeup of the Board and its constant support of the FBI, we would hope to have the honor of meeting with you and paying our respects. We also would appreciate visiting the FBI Academy at Quantico.

Our Board is purposely small. Former SA Sam Devine served for twenty-two years in the U.S. Congress. He was Chairman of the Republican Leadership Conference in the Congress and is currently a prominent Attorney. He is a close personal friend to President Bush. William G. Simon, whom you have personally met on several occasions, is a retired wealthy Attorney and Los Angeles businessman. He was formerly Special Agent in Charge in Newark and Los Angeles. Director Marlin Johnson was Special Agent in Charge in both the Washington Field and Chicago offices. Following retirement he was a corporate executive for ten years. The newest member of the Board is Joseph D'Angelo, President and Chief Executive Officer of King Features. Mr. D'Angelo, while not a former Special Agent, was unanimously chose because of his solid support of the FBI and its goals. He currently supervises connections with fifty-two columnists, over one hundred cartoonists, two publishing houses, and many other responsibilities as a ranking member of the Hearst Board of Directors. I have known Mr. D'Angelo for over thirty years.

Honorable Sessions
Page Two
November 20, 1991

There is no "taint" or hidden agenda in connection with our Board or its activities. Many years ago there were minor allegations because of contributions made to the Board through former Assistant to the Director Louis B. Nichols from Louis Rosenteil, Chairman of Schenley Industries (deceased), and Roy Cohn (deceased), who at the time was President of the now defunct American Jewish Committee against Communism. The allegations were made by individuals unfriendly to the FBI. They were not widespread. Both contributions have long ago been used for worthy causes. There have been no allegations since that time. Our books are carefully audited each year.

We have given out over one million six hundred thousand dollars over the years to the above mentioned causes. We intend to step up the awarding of scholarships. We are very careful as to the receipt of donations to the Foundation.

Subject to your approval, we plan to schedule a breakfast Friday morning, May 1, 1992, at which time we would be most grateful if you could attend and talk to our group. Following the breakfast we would board a bus, travel to Quantico, hold the annual meeting in a private space at the Academy, take a tour of the Academy, perhaps lectures, Firearms Exhibition, lunch at the Academy, then later return to Washington. Should any of these activities not be possible or practical, we will certainly understand.

All expenses of our trip, including any at Quantico, will be paid by the Foundation.

As usual, we will have individuals outside the Board attending our sessions. Jack C. Graybill, an Executive with Robinson-Humphrey for over twenty years; Richard Coen and Richard Densmore of the Charleston Firm of Coen and Densmore (Investment Counsel); Richard Woods of the well known McNair Legal Firm (Legal Counsel); former Special Agent Clark Shoaff (Curator of the J. Edgar Hoover Museum at the Temple in Washington); and wives (except those who insist on shopping!) will accompany us. All are favorably disposed towards the FBI and have excellent reputations. There will be no media at any of our meetings.

In brief, the party attending the breakfast and visiting Quantico will total twenty overall.

We are mindful of your schedule and that our Academy visit could be slightly disruptive to established curriculum. If, however, you could speak informally to us at the breakfast, and approve our visit to the Academy we will be most grateful.

I apologize for the length of this letter, but wanted to furnish complete details for your consideration.

Honorable Sessions

Dear [Redacted]:

This is to confirm a recent call to your office regarding the FBI's advisory group which has been formed to determine if it would be appropriate to sponsor a Law Enforcement Explorer (LEE) Post Program in the FBI. A meeting is scheduled for March 15, 1993, at FBI Headquarters from 9 a.m. to 5 p.m. to discuss this matter.

It is a pleasure to extend this invitation to you to participate in this conference. We would like to have you address the group from 11:20 a.m. to 12 noon and provide background information concerning your agency's LEE Program and its evolution. We also would like to hear your views regarding the advantages and disadvantages of the Program and have you answer any questions that might arise.

Invitations have also been extended to Mr. Bill Ridge, Director, Law Enforcement Explorer Program, Irving, Texas, and to [Redacted], Congressional Affairs, United States Customs Service, Washington, D. C. Agents of our Houston, Dallas, and Seattle Offices, who are LEE Advisors, will also be speaking. We would enjoy having you stay for the entire meeting, if your schedule permits.
